Ann,

This year has been kind of a bore, but even through this I've enjoyed all the trouble we've gotten into in study hall. Take care of yourself, I hope to see more of you this summer.

Dedication

We, the senior class of 1962, wish in the dedicating of our yearbook to show in some small way the esteem in which we hold Mr. Warren Saunders. Teaching one of the most difficult senior subjects at McDowell, he has shown us the wisdom, enthusiasm, and concern which have made his classes so enjoyable and valuable. But in another respect we honor the man who has the time and interest to be our head class advisor, the varsity wrestling coach, and the science club sponsor. We dedicate the 1962 Kaldron to an exceptional teacher and a truly admirable man--Mr. Warren Saunders.

Millcreek's Board of Education

The level of government most directly concerned with public education is the school board. It is to them that we owe appreciation for attending as fine a high school as McDowell. To them we extend our thanks for the three years we have spent here.

SEATED: Mr. George Schau; Mr. Gordon Swenson; Mr. William C. Morton--Vice Pres.; Mr. George Gott--Pres.; STANDING: Mr. Frank Schrimper; Mr. William Simonsen--Sec'y to the Board; Mr. William M. Conner; Mr. Thomas M. Wells.

Associate Superintendent, Mr. Wilson

Henry W. Beecher states, "Education is the knowledge of how to use the whole of oneself. Many men use one or two of the faculties of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty--how to open it, how to keep it sharp, and how to apply it to all practical purposes."

I hope that your education at McDowell has helped in developing your wholeself. May you use all of your faculties to their highest degree.

Congratulations and best wishes to the class of 1962.

James D. Wilson

At the end of twelve years in school one begins to realize the meaning of the time and effort given to study and preparation for graduation. As one progresses each year from grade to grade, one finds that a program is fairly well established to follow. What comes next? What have you prepared yourself to do? Have you made the most of your opportunities to get the education you should have? Are you ready to take the next step on your own to choose a more specific direction in your work ahead? Most of you listened to counseling, discussions, and have done serious thinking about the future. I am sure that you are well prepared and after Commencement will begin your next step in life with confidence and determination, and will make a useful place in which you can best serve mankind. It is my hope that each of you will find happiness and success and an abundant life. You will have it if you continue to work for it. My best wishes to all of you.

Jerry Otteni, President

You, as seniors, probably feel that this year is the last year of studying for you. No more books and no more homework. I hope that this is not true for anyone because these years we spent together are probably the best years of our lives. After that joyful day of graduation, you will have to face the world and be prepared.

Society, competitive as it is today, will not give you many second chances. One must be awake and on his toes at all times because as soon as you become lax, a person who is willing to work a little harder will take your place.

In America we have great chances for advancement and betterment. In other countries, however, this story is not true for the people are bound by the yoke of communism, and all initiative is stifled. In order to keep our country great we must continue to work and strive to stay on top. We must prove ourselves worthy of admiration, and the only way to do this is to keep laboring and never give up hope, for where there is hope there is success.

KALDRON

I greeted my selection as yearbook editor in the spring of my junior year with jubilation. A year of hard, time-consuming work has sapped some of my exuberance but filled me with satisfaction. I feel I can say that this year's Kaldron is the best ever. ever.

It is hard to single out anyone for praise among all who labored so diligently. A staff of sixty seniors and our advisor, Mr. Cross, spent many long hours raising money to to meet inposing expenses and preparing copy to meet uncompromising deadlines All seniors who collected patron money and all class members who purchased books also were instrumental in the yearbook's success.

A great deal of time and effort is displayed from cover to cover in this book; I hope each of you will take as much pride in the 1962 Kaldron as I do.

The editor,
Bob Dewart

The Student Council is an organization which affords students the opportunity of leadership and the experience of responsibility. Any student problems that arise are taken to the Student Council and acted upon as quickly and as justly as possible.

The Student Council supplies ushers for P.T.A. meetings, sponsors entertainment, and holds dances. The Student Council was established to foster better student-faculty relations and in solving student problems.

The sponsor of the Student Council is Mr. James Barr, who spends endless hours working on the problems and projects of the Student Council. Without the Student Council our school could not have its wonderful record.

The Hub, our school paper is the product of approximately forty-five students who work especially hard at their various tasks. The reporters write about a wide variety of topics from sports reviews to the most outstanding art, music, or shop student of the month. The typists prepare the copies for the printer, the ad staff members obtain ads from the local business establishments. It is the duty of the exchange staff to exchange copies of the Hub for those of other schools in the surrounding area. The Business Manager sends bills to local business concerns and manages the financial affairs. The entire publication is under the capable leadership of Miss Ofrazia and co-editors, Marcia Nelson and Tom Dyble.

Debate Club

To learn the art of debating, and at the same time to absorb information are the goals of the Debate Team here at McDowell. Those few selected as debaters spend many hours preparing to meet the teams of other schools on a topic chosen by a national committee. The remaining members serve as chairmen and timekeepers, invaluable aids to proper debating

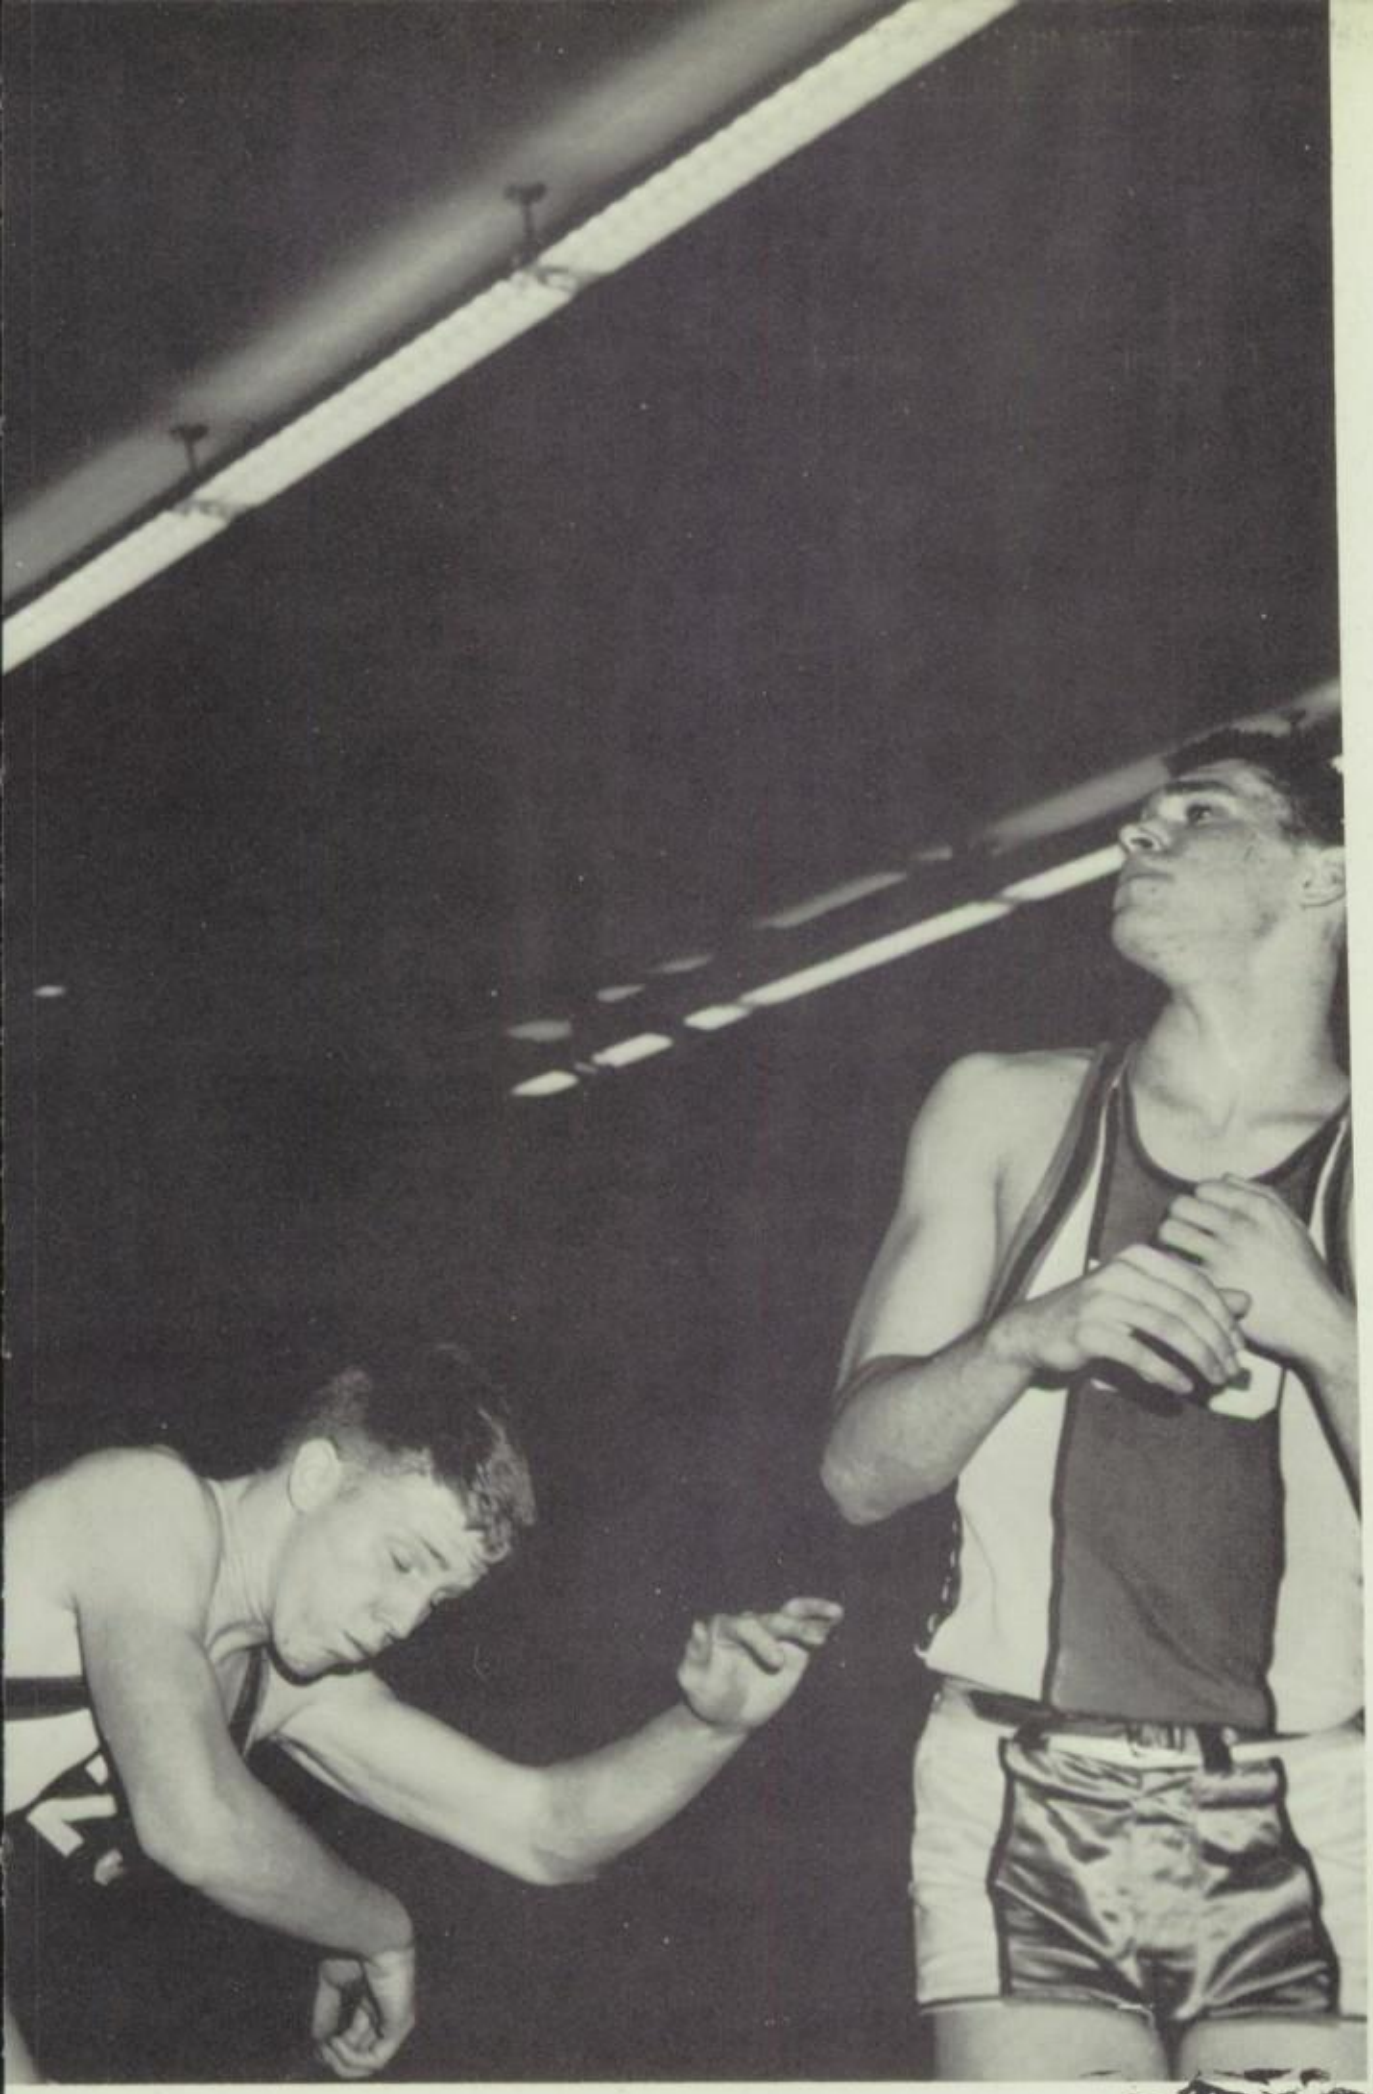
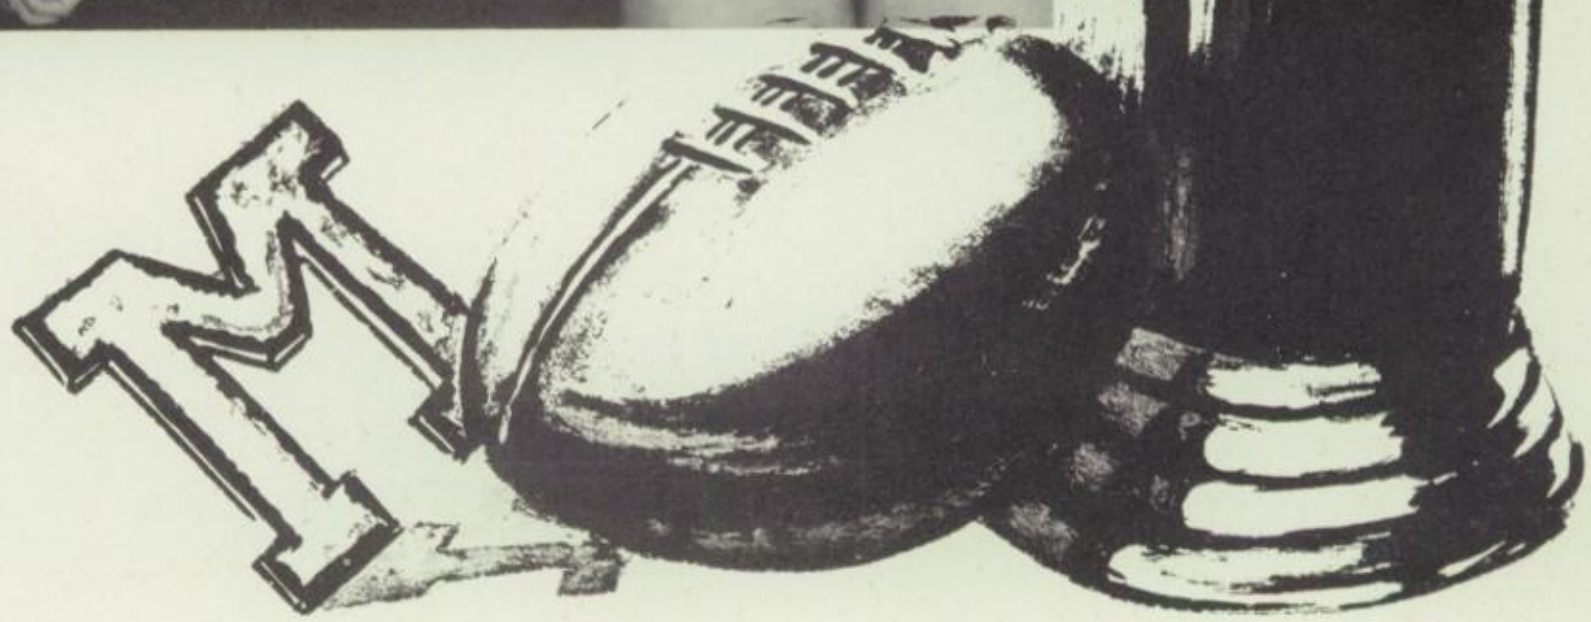
ATHLETICS





Football

Many people fail to realize the time and hard work that goes into the making of the football team. While they basked in the August sun, these men did calisthenics and learned plays. The spectators who come on Friday nights are quick to find fault with the team if they lose. What they don't realize is the fact that the team works very hard every day on offensive and defensive strategy. Anyone viewing these games will agree that the players put an incalculable amount of effort in their plays and do their best at all times.

Our team did very well this year and should be commended for a job well done. As a matter of fact our won-loss record of 4 and 4 is the best it has been in recent years.

This could not have been accomplished without all 33 players, 6 managers, and trainers, and 2 coaches. We seldom hear about the trainers and managers who do so much for the team, yet these indispensable men manage the equipment and aid the players. The coaches give untiringly of their time and talents for the development of of athletic ability and good sportsmanship in the young men of McDowell.

Varsity Basketball

This year as in the past, McDowell had a very fine basketball team. The result of long hours of practice, both after school and on Saturdays, showed itself in McDowell's fine record of 19 wins and 6 losses. McDowell finished in a very well balanced Section One League. McDowell participated in the Scholastic Invitational Tournament at Tech. during the Christmas vacation. The fine basketball teams turned out by Coaches Kline and Henning would be a proud addition to any Athletic department.

Mr. Saunders, Coach

This year marks the seventh year McDowell has competed in varsity wrestling. The Trojans, under the capable supervision of Mr. Saunders, have again put together a team any school could be proud to have. The grapplers, in their debut of this season, de feated Union City and they posted two consecutive shut-out vic - tories against Girard and Northwestern. We at McDowell con - gratulate the team and Mr. Saunders for this past season and wish them the best in future seasons.

Others expected to help are: Jim Mosher, infielder; Denny Koller, catcher; Bill Picht, outfielder; Bill Pacak and Larry Waters, pitchers. During the 1961 season, Coach Dave Long won his 100th game and by the end of the season, McDowell's fine baseball team had won 103 games since baseball was started here in 1952.

"We are the McDowell Trojans . . . ," the familiar cry of our peppy cheerleaders, is heard at every basketball and football game, every wrestling match, and every pep rally. These six girls, led by Janice Oliver, always push our teams onward to victory. The squad this year consists of one Senior, Jackie Davis; two Juniors, Janice Oliver and Carol Lundgren; and three Sophomores, Gail Holmstrom, Bonnie Smith, and Sherry Steinhauser. We are extremely proud of our cheerleaders because not only are they good builders of morale, but also they are good representatives of McDowell.

One of the highlights of a football game is the half-time show. The entertainment would not be as colorful and enjoyable without the unique and intricate routines of the Majorettes and Flag Twirlers. The majorettes and Flag Twilers are led by captains Kathy Noe and Alice Ebert respectively. These girls are under the faculty sponsorship of Mrs. Zambrowski who contributed greatly to the success of their programs. All who viewed their shows will agree that they deserve our congratulations.

There, marching briskly with precision steps and complex routines and adding to the program are the Trojanettes, McDowell's Drill Team. The 26 girls, under the capable faculty sponsorship of Mr. Valone and the good student leadership of Dorothy Mishrell and Marilyn Michael, have worked hard and long hours to perfect the intricate maneuvers which they have presented at the football games.

Homecoming 1961

A single float carried all nine members of the homecoming party this year. The throne was made up of two large hearts, and smaller ones formed the individual seat of each candidate. As the float proceeded around the track, the band played "Peg of My Heart", adding the final touch to the theme.

The intangibles apparent at every homecoming game added to the exciting atmosphere when radiant Kathy Noe was crowned. Queen Kathy was chosen from a bevy of beauties with charm, poise, and school spirit. Her fellow seniors were Sue Johnson and Jackie Davis. The three girls chosen to represent the junior class were Carol Lundgren, Ginny Love, and Janice Oliver. The sophomore nominees were Lynn Detzel, Gail Holmstrom, and Bonnis Smith. These eight girls complimented our queen exquisitely. The homecoming game of 1961 will long remain uncompared to any other fall festivity.

Exchange Program

Jerry Otteni and Al Montano

I arrived in Erie on the morning of August 22nd and after seeing my family and companions, I knew that my year here would be a pleasure I'd never forget. And so it has been. While here I've been in many homes and met all types of people, so I can say that Americans are as friendly as any people in the world. My experiences here will leave a great impression on me because they have contributed to my intellectual maturity.

A major difference between Spanish and American schools is your vast activity program. I think that it is a very good idea because it not only helps students develop interesting hobbies, but at the same time it gives them the opportunity to become better acquainted with one another.

The A.F.S. program is one of the greatest innovations of this century because these experiences will help us as adults to unite the world through understanding and mutual respect.

I thank all who helped and participated in the exchange student program. Everyone should thank these people because they have indirectly contributed to the future peace of the world.

Keystone Boys' State

During the past summer, three boys from McDowell went to Indiantown Gap Military Reservation in order to attend the 10-day session of Keystone Boys State. Jake Diemert, Bob Luther, and Jerry Otteni met boys from all parts of the state and became acquainted with our city, county, and state governments. The Keystone Boys State is sponsored by the American Legion and everything was done in military fashion.

There were classes during the morning and part of the afternoon; the latter part of the afternoon was spent in supervised recreation. After chow all the boys marched to the general assembly which was held in the auditorium and listened to guest speakers.

Jake, Bob, and Jerry were all elected to city, state, or county offices which shows that McDowell was actively represented.

Keystone Girls' State

Keystone State represents a very successful experiment by the American Legion Auxiliary of Pennsylvania in Americanism and good citizenship; the motto "For God and Country" summarizes the aims.

McDowell's delegates to the Keystone Girls' State at Shippensburg State College, Bonnie Benson and Kathy Gott, not only were instilled with love of God and country, but were afforded the opportunity of self-government, and to learn of the duties, rights, and privileges of American citizenship. They absorbed and practiced city, county, and state government; problems of democracy; parliamentary procedure; elections of officials from city officials to the state governorship; and were afforded the occasion to meet and know others from all parts of the Keystone State. These fortunate students will not soon forget the wonderful and rewarding days at Keystone.

McDowell Evaluation

McDowell Evaluation Committee, SITTING from left: J. W. Hornbeck, Mrs. Virginia Smith, Sister Mary David, Miss Patricia McMillen, Mrs. Ealean H. Hannel, Mrs. Vangeline Barbale, and Mrs. Zela W. Fox. STAND: Robert Kerr, Tudor Lewis, Bruce E. Smith, Clifford Smith, Allen R. Moon, Donald Earl, Armat Duhart, Paul T. Landis, and Norbert Cyterski.

During the first week in February, 1962, McDowell High School was evaluated by a team of eighteen teachers, administrators, and supervisors of the surrounding area for the Middle States Association. All high schools are likewise evaluated to determine their comparative standings as to curriculum, teaching methods, activities, library, guidance, and relationship to the community.

The committee spent three days evaluating the school's program after a briefing covering the philosophy and objectives of McDowell. To assist in the evaluation, four student committees were formed: Program of Studies, Guidance, Library, and Pupil Activity. Students were also chosen at random and were consulted about the school and its functionings. Approximately 160 students were interviewed during the three-day stay.

After the evaluation, a complete written report was submitted to the Middle States Association headquarters, where it will be determined if McDowell meets the standards necessary to be accredited. The standards are established by the Association. Official results of the evaluation will not be made known until November, 1962.

Senior Class Play

ROW 1: B. Fritz, J. Reed, J. Godfrey, B. Sobotincic, M. Patsy; ROW 2: Mrs. Saylor, K. Kauffman, K. Wagner, K. Gott, M. Giacobello, M. Nelson; ROW 3: J. Forker, L. Bennet, J. Moles, P. Jueschke, C. Randall, C. Peale, T. Coons, L. Hollenbeck.

This year our annual Senior Play was a beguiling comedy entitled "Our Hearts Were Young and Gay" by Jean Kerr, based upon the book by Cornelia Otis Skinner and Emily Kimbrough. It was an exuberant and sparkling account of two girls, Cornelia and Emily, who are determined to prove how "mature and cosmopolitan" they can be on an uproarious and charming trip to Europe. Besides Cornelia and Emily the cast included: Mrs. Skinner, who wounds Cornelia's pride with everything she says; Otis Skinner, the famous actor, who was revealed in the warmly humorous role of "Father"; Harriet and Winifred, two "ripping" English girls; John and Fred, two handsome medical students; the friendly Ship Captain; Madame Elsie, a charming French landlady; Threse, a maid; a brusque matron; a sympathetic window cleaner; and fiery De la Croix of the Comedie Francaise.

"Our Hearts Were Young and Gay" was presented to the student body on November 9 and publicly on November 10.

Gymnastics

This year's annual gym show, the eighth straight performance, was a great success. In addition to the regular gym classes, Saturday and Monday practice sessions were held beginning early in the year. The result was laudable. As well as routines with marraccas, the modern dance, the calypso, and silver statues there were spectacular performances in tumbling and apparatus work.

Many thanks go to Miss Skapura and Mr. Manchester who gave so much of their time to help the participants.

ROW 1: Mr. H. Freeman, Mrs. R. Cessna, Mrs. C. Rectenwald, Mrs. F. Steiner. ROW 2: Mrs. W. Hirt, Mrs. Ruth Williams, Mrs. R. Jensen, Mrs. H. Klauk, Mr. C. E. LeMasters, Mrs. L. Schoen, Mrs. R. Burns, Mrs. J. Dewart.

Throughout the school year the Parent Teachers' Association meets and discusses various situations confronting students, parents and teachers. Many new and unusual formats are presented to its members. The officers participate in several activities. The financial assistance afforded to the School Activities Fund, Student Council and the purchase of the National Honor Society pins by the P. T. A. is greatly appreciated. By means of gift contributions this association builds the McDowell Scholarship Fund which is awarded each spring to the most deserving senior, judged on these four qualities: merit, service, character and financial necessity. The scholarship is yet another product of the P. T. A. The members greatly ease the mind of each senior's parents by sending out a complete financial expense list in September. The organization actively participates in College Night; sponsors Career Night every two years; contributes much time to the Senior Party; and provides a Baccalaureate reception for the Senior Class.

Through understanding and donations of time, the Parent Teachers' Association promotes a better relationship between parents, teachers and students.

McDowell Alma Mater

Once again, here as schoolmates assemble,
We fain would lift our hearts in song,
To our High School, our dear Alma Mater,
Let gladness the moments prolong;
We are proud of our lads and our lasses,
Of honors won in days gone by,
So here's a cheer for our old High School,
For our old High School, our dear "Old High."

Here's to our classes,
Here's to our lasses,
Here's to the lads they adore:
Here's to the Seniors, so "mighty,"
Juniors, so "flighty,"
Freshies and Sophomores;
Let mirth and gladness
Banish all sadness,
And as the days go by,
We promise you'll find us ready, earnest, and steady,
Boosting for McDowell High.

Ann,
Remember the
times in homeroom
Mr. Maurocke
Barbara
Hope to see you
